REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 456. **GENERAL ORDER.**

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

No. 478. GENERAL ORDER.

HORSE-GUARDS, 18th July, 1829.

HIS Majesty, being desirous to encourage Officers to become Settlers in the British North American Provinces, is pleased to command, that Grants of Land, in the proportions undermentioned, shall, on the recommendation of the General Commanding in Chief, be made to those Officers who may be induced to avail themselves of the offer, viz.—

subject always to the conditions of actual Residence, and Cultivation of the Land assigned, within a limited period.

Officers who shall propose to settle in the British Provinces of North America, will, if of a proper Age, and if their service shall be considered as entitling them to the indulgence, be permitted to dispose of their Commissions; and in order that His Majesty's Government may have full security for the appropriation to the intended purpose of the sums produced by such Sale, it is His Majesty's Command, that the Agent, to whom the Purchase Money is paid, shall be instructed to retain in his hands one third of the amount in each case, until a Certificate shall be transmitted by the Governor or Officer Commanding in the Province, that the Officer is actually settled:—The reserved Money will then be paid to him.

CIRCULAR, No. 647.

WAR-OFFICE, 21st November, 1829.

SIR,

THE King having been graciously pleased to direct that the several Rules and Orders under which Pensions and Allowances are granted on account of Wounds received in Action should be consolidated and amended, and that certain additional Regulations relative thereto shall be established, I have the honour to transmit, for the information and guidance of the Officers under your Command, a Copy of the amended Regulation, and have the satisfaction to acquaint you that His Majesty has directed, that in all cases in which Officers now on the Pension List shall, during periods of not less than Five Years, have been in receipt of Pensions for Wounds *received in Action*, they shall in future enjoy their Pensions without being subjected to the inconvenience of personally appearing from time to time before the Army Medical Board.

I have, &c.

Warrant regulating the Grant of Pensions and Allowances to Officers of the Land Forces, for Wounds received in Action.

GEORGE R.

WHEREAS We think it expedient to consolidate and amend the several Rules and Orders under which Pensions and Allowances are granted on account of Wounds received in Action, by Officers of Our Land Forces, and to establish certain additional Regulations relative thereto; Our will and pleasure is, that, from and after the date hereof, the Regulation annexed to this our Warrant shall be the sole Rule on this head; and that the cases in which Pensions and Allowances may be recommended to Us to be granted to Officers, shall be limited to Wounds and Injuries received in Action, and shall be established by the production of such Certificates and Reports of Medical Boards as shall be required by Our Secretary at War.

Given at Our Court at Windsor, this 14th Day of November, in the Tenth Year of Our Reign.

By His Majesty's Command.

HENRY HARDINGE.

Regulation.

1st. If an Officer shall receive a Wound in Action, which shall occasion the loss of an Eye, or a Limb, or the total use of a Limb, or shall receive bodily injury fully equal to the loss of a Limb, he may be eligible to receive a Gratuity in Money of One Year's Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

2d. If an Officer shall be Wounded in Action, and it shall appear upon an inspection made of him by a Board of Army Medical Officers assembled by order of the Secretary at War, that such Officer has, in consequence of his Wound, lost a Limb or an Eye, or has totally lost the use of a Limb, or that he has sustained a severe Injury in Action, fully equal in every respect to the loss of a Limb, he may be recommended to His Majesty for a Pension at the rate fixed in the annexed Scale, for the Rank held by him when he was Wounded, and commencing One Year after the Wound was received: the continuance of which shall depend upon subsequent examinations before the Military Medical Board.

3d. If the Officer shall have lost more than one Limb or Eye, he may be recommended for a Pension for each Limb or Eye so lost in Action.

4th. If the Wound received by an Officer in Action shall be so severe in its permanent effects as to be nearly equal, but not fully equal, to the loss of a Limb, such Officer may be recommended for a Gratuity of Eighteen Months' Full Pay of his Regimental Rank, or Staff Appointment, held by him when Wounded; in which case no Pension shall at any subsequent time be granted to him under this Regulation.

5th. If any Wound received in Action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a Limb, the Officer receiving such Wound may, in consideration of the expense attending the cure thereof, receive a Gratuity, varying according to the nature of the case, of from Three to Twelve Months' Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

6th. If an Officer shall have held a Pension for a Wound received in Action for a term of Five Years, and shall have been examined, twice at the least, before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such Pension; but if the Officer, before the expiration of the term of Five Years, shall have so far recovered that his Wound or Injury is not fully equal to the loss of a Limb, then he shall cease to receive such Pension, and shall have a Gratuity of Full Pay according to the degree of his Injury, as laid down in Article 5.

7th. If within the period of Five Years after a Wound has been received, an Officer does not apply for the Pension, or, applying for it, the Wound shall not have been proved to be fully and permanently equal to the loss of a Limb, such Officer's claim to a Pension shall not at any subsequent period be entertained.

8th. No Gratuity or Allowance for any Wound shall be granted after the lapse of Five Years from the time the Wound was received.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 456. GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Diemau's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

CIRCULAR, No. 647.

WAR-OFFICE, 21st November, 1829.

SIR,

THE King having been graciously pleased to direct that the several Rules and Orders under which Pensions and Allowances are granted on account of Wounds received in Action should be consolidated and amended, and that certain additional Regulations relative thereto shall be established, I have the honour to transmit, for the information and guidance of the Officers under your Command, a Copy of the amended Regulation, and have the satisfaction to acquaint you that His Majesty has directed, that in all cases in which Officers now on the Pension List shall, during periods of not less than Five Years, have been in receipt of Pensions for Wounds *received in Action*, they shall in future enjoy their Pensions without being subjected to the inconvenience of personally appearing from time to time before the Army Medical Board.

I have, &c.

H. HARDINGE.

Officer Commanding

Warrant regulating the Grant of Pensions and Allowances to Officers of the Land Forces, for Wounds received in Action.

GEORGE R.

WHEREAS We think it expedient to consolidate and amend the several Rules and Orders under which Pensions and Allowances are granted on account of Wounds received in Action, by Officers of Our Land Forces, and to establish certain additional Regulations relative thereto; Our will and pleasure is, that, from and after the date hereof, the Regulation annexed to this our Warrant shall be the sole Rule on this head; and that the cases in which Pensions and Allowances may be recommended to Us to be granted to Officers, shall be limited to Wounds and Injuries received in Action, and shall be established by the production of such Certificates and Reports of Medical Boards as shall be required by Our Secretary at War.

Given at Our Court at Windsor, this 14th Day of November, in the Tenth Year of Our Reign.

By His Majesty's Command.

HENRY HARDINGE.

Regulation.

1st. If an Officer shall receive a Wound in Action, which shall occasion the loss of an Eye, or a Limb, or the total use of a Limb, or shall receive bodily injury fully equal to the loss of a Limb, he may be eligible to receive a Gratuity in Money of One Year's Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

2d. If an Officer shall be Wounded in Action, and it shall appear upon an inspection made of him by a Board of Army Medical Officers assembled

by order of the Secretary at War, that such Officer has, in consequence of his Wound, lost a Limb or an Eye, or has totally lost the use of a Limb, or that he has sustained a severe Injury in Action, fully equal in every respect to the loss of a Limb, he may be recommended to His Majesty for a Pension at the rate fixed in the annexed Scale, for the Rank held by him when he was Wounded, and commencing One Year after the Wound was received: the continuance of which shall depend upon subsequent examinations before the Military Medical Board.

3d. If the Officer shall have lost more than one Limb or Eye, he may be recommended for a Pension for each Limb or Eye so lost in Action.

4th. If the Wound received by an Officer in Action shall be so severe in its permanent effects as to be nearly equal, but not fully equal, to the loss of a Limb, such Officer may be recommended for a Gratuity of Eighteen Months' Full Pay of his Regimental Rank, or Staff Appointment, held by him when Wounded; in which case no Pension shall at any subsequent time be granted to him under this Regulation.

5th. If any Wound received in Action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a Limb, the Officer receiving such Wound may, in consideration of the expense attending the cure thereof, receive a Gratuity, varying according to the nature of the case, of from Three to Twelve Months' Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

6th. If an Officer shall have held a Pension for a Wound received in Action for a term of Five Years, and shall have been examined, twice at the least, before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such Pension; but if the Officer, before the expiration of the term of Five Years, shall have so far recovered that his Wound or Injury is not fully equal to the loss of a Limb, then he shall cease to receive such Pension, and shall have a Gratuity of Full Pay according to the degree of his Injury, as laid down in Article 5.

7th. If within the period of Five Years after a Wound has been received, an Officer does not apply for the Pension, or, applying for it, the Wound shall not have been proved to be fully and permanently equal to the loss of a Limb, such Officer's claim to a Pension shall not at any subsequent period be entertained.

8th. No Gratuity or Allowance for any Wound shall be granted after the lapse of Five Years from the time the Wound was received.

9th. No Pension for the loss of One Eye, from a Wound received in Action, shall be granted, unless the actual loss of Vision shall have occurred within Five Years after the Wound was received, and be solely attributable to such Wound.

10th. As a general rule, the Pension shall be granted according to Regimental Rank; but in cases in which Officers with Brevet Rank shall have been employed at the time they were Wounded, in discharge of duties superior to those attached to their Regimental Commissions, the Pensions shall be given according to the Brevet Rank.

11th. These Pensions, being granted as a compensation for the permanent disability sustained by Wounds received in Action, may be held together with any other Pay and Allowances to which an Officer may be entitled, without any deduction on account thereof.

HENRY HARDINGE.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 456. GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been re-

duced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

MEMORANDUM.

HORSE GUARDS, 30th June, 1829.

MEMORANDUM.

HORSE-GUARDS, 30th April, 1830.

CAPTAINS who Volunteered from the Militia, and are now on Half-Pay with Temporary Rank, will be allowed to commute their Half-Pay, on conditions which will be made known to them by the Military Secretary, as soon as they shall have reported to the General Commanding in Chief, their Age and State of Health, Vouched by a proper Medical Certificate.

subject always to the conditions of actual Residence, and Cultivation of the Land assigned, within a limited period.

Officers who shall propose to settle in the British Provinces of North America, will, if of a proper Age, and if their service shall be considered as entitling them to the indulgence, be permitted to dispose of their Commissions; and in order that His Majesty's Government may have full security for the appropriation to the intended purpose of the sums produced by such Sale, it is His Majesty's Command, that the Agent, to whom the Purchase Money is paid, shall be instructed to retain in his hands one third of the amount in each case, until a Certificate shall be transmitted by the Governor or Officer Commanding in the Province, that the Officer is actually settled:—The reserved Money will then be paid to him.

By Command of the Right Honourable
The General Commanding in Chief.

Warrant regulating the Grant of Pensions and Allowances to Officers of the Land Forces, for Wounds received in Action.

GEORGE R.

WHEREAS We think it expedient to consolidate and amend the several Rules and Orders under which Pensions and Allowances are granted on account of Wounds received in Action, by Officers of Our Land Forces, and to establish certain additional Regulations relative thereto; Our will and pleasure is, that, from and after the date hereof, the Regulation annexed to this our Warrant shall be the sole Rule on this head; and that the cases in which Pensions and Allowances may be recommended to Us to be granted to Officers, shall be limited to Wounds and Injuries received in Action, and shall be established by the production of such Certificates and Reports of Medical Boards as shall be required by Our Secretary at War.

Given at Our Court at Windsor, this 14th Day of November, in the Tenth Year of Our Reign.

By His Majesty's Command.

HENRY HARDINGE.

Regulation.

1st. If an Officer shall receive a Wound in Action, which shall occasion the loss of an Eye, or a Limb, or the total use of a Limb, or shall receive bodily injury fully equal to the loss of a Limb, he may be eligible to receive

a Gratuity in Money of One Year's Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

2d. If an Officer shall be Wounded in Action, and it shall appear upon an inspection made of him by a Board of Army Medical Officers assembled by order of the Secretary at War, that such Officer has, in consequence of his Wound, lost a Limb or an Eye, or has totally lost the use of a Limb, or that he has sustained a severe Injury in Action, fully equal in every respect to the loss of a Limb, he may be recommended to His Majesty for a Pension at the rate fixed in the annexed Scale, for the Rank held by him when he was Wounded, and commencing One Year after the Wound was received: the continuance of which shall depend upon subsequent examinations before the Military Medical Board.

3d. If the Officer shall have lost more than one Limb or Eye, he may be recommended for a Pension for each Limb or Eye so lost in Action.

4th. If the Wound received by an Officer in Action shall be so severe in its permanent effects as to be nearly equal, but not fully equal, to the loss of a Limb, such Officer may be recommended for a Gratuity of Eighteen Months' Full Pay of his Regimental Rank, or Staff Appointment, held by him when Wounded; in which case no Pension shall at any subsequent time be granted to him under this Regulation.

5th. If any Wound received in Action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a Limb, the Officer receiving such Wound may, in consideration of the expense attending the cure thereof, receive a Gratuity, varying according to the nature of the case, of from Three to Twelve Months' Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

6th. If an Officer shall have held a Pension for a Wound received in Action for a term of Five Years, and shall have been examined, twice at the least, before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such Pension; but if the Officer, before the expiration of the term of Five Years, shall have so far recovered that his Wound or Injury is not fully equal to the loss of a Limb, then he shall cease to receive such Pension, and shall have a Gratuity of Full Pay according to the degree of his Injury, as laid down in Article 5.

7th. If within the period of Five Years after a Wound has been received, an Officer does not apply for the Pension, or, applying for it, the Wound shall not have been proved to be fully and permanently equal to the loss of a Limb, such Officer's claim to a Pension shall not at any subsequent period be entertained.

8th. No Gratuity or Allowance for any Wound shall be granted after the lapse of Five Years from the time the Wound was received.

9th. No Pension for the loss of One Eye, from a Wound received in Action, shall be granted, unless the actual loss of Vision shall have occurred within Five Years after the Wound was received, and be solely attributable to such Wound.

10th. As a general rule, the Pension shall be granted according to Regimental Rank; but in cases in which Officers with Brevet Rank shall have been employed at the time they were Wounded, in discharge of duties superior to those attached to their Regimental Commissions, the Pensions shall be given according to the Brevet Rank.

11th. These Pensions, being granted as a compensation for the permanent

disability sustained by Wounds received in Action, may be held together with any other Pay and Allowances to which an Officer may be entitled, without any deduction on account thereof.

HENRY HARDINGE.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period; when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

MEMORANDUM.

HORSE GUARDS, 30th June, 1829.

SUBALTERNS upon Half-Pay who may be desirous of Retiring, receiving a Commuted Allowance for the same, are requested to address themselves to the Military Secretary to the General Commanding in Chief, transmitting to him a Certificate from a Medical Officer of the present state of their Health, and informing him of their Age, whether they are Married and have Children, and if they are actually in the Receipt of Half-Pay at this Moment.

CAPTAINS who Volunteered from the Militia, and are now on Half-Pay with Temporary Rank, will be allowed to commute their Half-Pay, on conditions which will be made known to them by the Military Secretary, as soon as they shall have reported to the General Commanding in Chief, their Age and State of Health, Vouched by a proper Medical Certificate.

No. 478. GENERAL ORDER.

HORSE-GUARDS, 18th July, 1829.

HIS Majesty, being desirous to encourage Officers to become Settlers in the British North American Provinces, is pleased to command, that Grants of Land, in the proportions undermentioned, shall, on the recommendation of the General Commanding in Chief, be made to those Officers who may be induced to avail themselves of the offer, viz.—

	Acres.
Lieutenant-Colonel	1200
Major	1000
Captain	800
Subaltern	500

subject always to the conditions of actual Residence, and Cultivation of the Land assigned, within a limited period.

Officers who shall propose to settle in the British Provinces of North America, will, if of a proper Age, and if their service shall be considered as entitling them to the indulgence, be permitted to dispose of their Commissions; and in order that His Majesty's Government may have full security for the appropriation to the intended purpose of the sums produced by such Sale, it is His Majesty's Command, that the Agent, to whom the Purchase Money is paid, shall be instructed to retain in his hands one third of the amount in each case, until a Certificate shall be transmitted by the Governor or Officer Commanding in the Province, that the Officer is actually settled:—The reserved Money will then be paid to him.

By Command of the Right Honourable
The General Commanding in Chief.

GEORGE R.

WHEREAS We think it expedient to consolidate and amend the several Rules and Orders under which Pensions and Allowances are granted on account of Wounds received in Action, by Officers of Our Land Forces, and to establish certain additional Regulations relative thereto; Our will and pleasure is, that, from and after the date hereof, the Regulation annexed to this our Warrant shall be the sole Rule on this head; and that the cases in which Pensions and Allowances may be recommended to Us to be granted to Officers, shall be limited to Wounds and Injuries received in Action, and

shall be established by the production of such Certificates and Reports of Medical Boards as shall be required by Our Secretary at War.

Given at Our Court at Windsor, this 14th Day of November, in the Tenth Year of Our Reign.

By His Majesty's Command.

HENRY HARDINGE.

Regulation.

1st. If an Officer shall receive a Wound in Action, which shall occasion the loss of an Eye, or a Limb, or the total use of a Limb, or shall receive bodily injury fully equal to the loss of a Limb, he may be eligible to receive a Gratuity in Money of One Year's Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

2d. If an Officer shall be Wounded in Action, and it shall appear upon an inspection made of him by a Board of Army Medical Officers assembled by order of the Secretary at War, that such Officer has, in consequence of his Wound, lost a Limb or an Eye, or has totally lost the use of a Limb, or that he has sustained a severe Injury in Action, fully equal in every respect to the loss of a Limb, he may be recommended to His Majesty for a Pension at the rate fixed in the annexed Scale, for the Rank held by him when he was Wounded, and commencing One Year after the Wound was received: the continuance of which shall depend upon subsequent examinations before the Military Medical Board.

3d. If the Officer shall have lost more than one Limb or Eye, he may be recommended for a Pension for each Limb or Eye so lost in Action.

4th. If the Wound received by an Officer in Action shall be so severe in its permanent effects as to be nearly equal, but not fully equal, to the loss of a Limb, such Officer may be recommended for a Gratuity of Eighteen Months' Full Pay of his Regimental Rank, or Staff Appointment, held by him when Wounded; in which case no Pension shall at any subsequent time be granted to him under this Regulation.

5th. If any Wound received in Action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a Limb, the Officer receiving such Wound may, in consideration of the expense attending the cure thereof, receive a Gratuity, varying according to the nature of the case, of from Three to Twelve Months' Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

6th. If an Officer shall have held a Pension for a Wound received in Action for a term of Five Years, and shall have been examined, twice at the least, before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such Pension; but if the Officer, before the expiration of the term of Five Years, shall have so far recovered that his Wound or Injury is not fully equal to the loss of a Limb, then he shall cease to receive such Pension, and shall have a Gratuity of Full Pay according to the degree of his Injury, as laid down in Article 5.

7th. If within the period of Five Years after a Wound has been received, an Officer does not apply for the Pension, or, applying for it, the Wound shall not have been proved to be fully and permanently equal to the loss of a Limb, such Officer's claim to a Pension shall not at any subsequent period be entertained.

8th. No Gratuity or Allowance for any Wound shall be granted after the lapse of Five Years from the time the Wound was received.

Digitized by Google

9th. No Pension for the loss of One Eye, from a Wound received in Action, shall be granted, unless the actual loss of Vision shall have occurred within Five Years after the Wound was received, and be solely attributable to such Wound.

10th. As a general rule, the Pension shall be granted according to Regimental Rank; but in cases in which Officers with Brevet Rank shall have been employed at the time they were Wounded, in discharge of duties superior to those attached to their Regimental Commissions, the Pensions shall be given according to the Brevet Rank.

11th. These Pensions, being granted as a compensation for the permanent disability sustained by Wounds received in Action, may be held together with any other Pay and Allowances to which an Officer may be entitled, without any deduction on account thereof.

HENRY HARDINGE.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

MEMORANDUM.

HORSE-GUARDS, 30th April, 1830.

CAPTAINS who Volunteered from the Militia, and are now on Half-Pay with Temporary Rank, will be allowed to commute their Half-Pay, on conditions which will be made known to them by the Military Secretary, as soon as they shall have reported to the General Commanding in Chief, their Age and State of Health, Vouched by a proper Medical Certificate.

Regulation.

1st. If an Officer shall receive a Wound in Action, which shall occasion the loss of an Eye, or a Limb, or the total use of a Limb, or shall receive bodily injury fully equal to the loss of a Limb, he may be eligible to receive a Gratuity in Money of One Year's Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

2d. If an Officer shall be Wounded in Action, and it shall appear upon an inspection made of him by a Board of Army Medical Officers assembled by order of the Secretary at War, that such Officer has, in consequence of his Wound, lost a Limb or an Eye, or has totally lost the use of a Limb, or that he has sustained a severe Injury in Action, fully equal in every respect to the loss of a Limb, he may be recommended to His Majesty for a Pension at the rate fixed in the annexed Scale, for the Rank held by him when he was Wounded, and commencing One Year after the Wound was received: the continuance of which shall depend upon subsequent examinations before the Military Medical Board.

3d. If the Officer shall have lost more than one Limb or Eye, he may be recommended for a Pension for each Limb or Eye so lost in Action.

4th. If the Wound received by an Officer in Action shall be so severe in its permanent effects as to be nearly equal, but not fully equal, to the loss of a Limb, such Officer may be recommended for a Gratuity of Eighteen Months' Full Pay of his Regimental Rank, or Staff Appointment, held by him when Wounded; in which case no Pension shall at any subsequent time be granted to him under this Regulation.

5th. If any Wound received in Action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a Limb, the Officer receiving such Wound may, in consideration of the expense attending the cure thereof, receive a Gratuity, varying according to the nature of the case, of from Three to Twelve Months' Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

6th. If an Officer shall have held a Pension for a Wound received in Action for a term of Five Years, and shall have been examined, twice at the least, before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such Pension; but if the Officer, before the expiration of the term of Five Years, shall have so far recovered that his Wound or Injury is not fully equal to the loss of a Limb, then he shall cease to receive such Pension, and shall have a Gratuity of Full Pay according to the degree of his Injury, as laid down in Article 5.

7th. If within the period of Five Years after a Wound has been received, an Officer does not apply for the Pension, or, applying for it, the Wound shall not have been proved to be fully and permanently equal to the loss of a Limb, such Officer's claim to a Pension shall not at any subsequent period be entertained.

8th. No Gratuity or Allowance for any Wound shall be granted after the lapse of Five Years from the time the Wound was received.
